

# INSURANCE CLAIMS PROJECT LANDSCAPE

## Data

- Data frame supplied by Explore Data Science.
- Data available on public GitHub repository.
- Available in both csv and xlsx format.

## Information

- Does the data frame need to be cleaned?
- Do we need to do feature engineering on the data frame?
- Is the data being updated frequently?

## Knowledge

- Data frame imported in a csv format.
- Data frame cleaned and feature engineered on Jupyter Notebook
- Made into a Dashboard on Power BI.
